

3 amendments that need to be made prior to the document being submitted to Daventry District Council. The three points that require immediate action are:

1. The plan was not a pre-submission plan but a draft plan.
2. "The current proposal for" be added to Policy 1 before the words "residential development to the South".
3. A planning application number needs amending.

The Neighbourhood Plan Steering Group (NPSG) has a meeting later this week to discuss the amendments.

It was agreed that subject to the NPSG agreeing to the changes the Parish Council would accept the Neighbourhood Draft Plan.

Proposed Cllr James  
All in Favour.

Seconded Cllr Brown

The Chairman informed the meeting that this is the initial step and that the plan has several more stages to go through before it is made available to the electorate. He reported that the process had started approximately four years ago following a conversation with Mr Bob Chattaway. He thanked the Steering Group for all their effort.
